

From the Office...

We laughed at this from last year's newsletter: "January was a month of colds, sore throats, coughing and general "yuckiness!" We hope the weather stays consistent so our kids can all recover and get back on their normal schedules! Thank you, parents, for keeping your little ones home to completely recover and avoid spreading the germs!"

Whatever last year brought, this year has topped it and then some. We continue to stay vigilant in our cleaning and sanitizing and thank you for keeping your children home when they're under the weather. Hopefully, this will be a distant memory this time next year!

February is gearing up to be a fun-filled month! Keep your eyes on the calendar for Super Bowl Fun Day, Chinese New Year, Donut Day, Mardi Gras, Pajama Day, Valentine's Day, and so on!

Lost your calendar? It's always posted on our website at www.preciousfriends.org Extra copies are in the lobby of the center.

Stay warm! Stay safe!

Don't be So Nice!

*Typically, we would NEVER say this! However, please **do NOT open the door** to anyone standing outside the entrance of the center. Mornings are easier; folks usually have their child with them. In the afternoons, please, please don't just let people in. A staff member is never away from the office that long!! We want to ensure the safety of your children at all times!*
